Ridiculous

Musiq Soulchild

Uh, just this moment when I woke up, I turned on my radio
The DJ played my song
I got up, got dressed and ready to go
I thought about you
So I called you right before I hit the road
Just to tell you
That my life won't be the same without you[Bridge]
'Cause when I wake up next to you
The sun shines so much brighter
And when I hear a song with you
It seems to take me higher
Just being with you is the truth
Without you I'm a liarSo I wanna take this time to tell you what's on my mind
Just thought that you should know...[Chorus]
Girl, with you here in my life
Everything I thought was right (was wrong)
Baby girl, you brought the light
Showed me that I was blind for (so long)
It's the little things you do
It's the reason why I'm rockin' wit' you
'Cause the way you make me feel
Is something real ridiculousBaby, you be doing things
(Things for me that really blows my mind)
You're not the selfish kind of lover
(What's mine is yours, what's yours is mine)
And even though you know I can't
(If I had my way, I'd be with you all the time)
Girl, it amazes me the way that you
Have changed my life 'cause...[Bridge]So I wanna take this time to tell you what's on my mind
I thought that you should know...[Chorus]Listen, girl, before you came around
I was always tryin' to get down
With almost every girl around the way
Like everyday, but, now
Maybe you helped me to see
That you're everything that I need
You and me together, girl; it's so ridiculous[Chorus x 2]
