

# Don't Change On Me

Alan Jackson

Girl, you're my sunshine, chase away the raindrops  
Make it all worthwhile, make all the pain stop  
Just like a river keep love flowin'  
Don't let our world stop, keep it goin' I like you just the way you are, honey, don't change on who you are  
Don't change on me, don't you change on me  
Girl, you're my lucky star, honey, don't change on who you are  
Don't change on me, don't change on me I used to wonder where would I find  
Some kind of happiness and peace of mind?  
I was living in darkness then you came  
Bringin' the sunlight, easin' my pain I love you just the way you are, honey, don't change on who you are  
Girl, don't change on me, don't you change on me  
Girl, you're my lucky star, honey, don't change on who you are  
Don't change on me, don't you change on me If there's a heaven, this is my prayer  
Lord knows I wanna know you, we should meet there  
And then forever we'll walk together  
Nothing but sunshine, no more stormy weather I love you just the way you are, honey, don't change on who you  
are  
Don't change on me, don't you change on me  
Girl, you're my lucky star, honey, don't change on who you are  
Don't change on me, don't change on me Oh, an' I love you just the way you are, honey, don't change on who  
you are  
Don't change on me, don't you change on me  
Girl, you're my lucky star, honey, don't change on who you are  
Oh, don't change on me, don't you, don't change on me
