

Somebody`s Out There

Triumph

Is it fate or random chance? How can I decide?

Are we victims of circumstance when destinies collide?

All the odds are against you but somehow you make it through

You can rationalize it away but it all comes down to you

Half our lives we spend waiting

For the knock upon the door

When it comes, will it be the one

That I've been waiting for? Somebody's out there, somewhere

Waiting for someone to come their way

Somebody's out there, somewhere

I will somehow be somebody's someone, someday, yeah

Standing in the shadows, hiding from the light

Reach out in the darkness and hold on for your life

All the fear of the future, all the loneliness inside

When the moment of truth arrives, hey you can run but you can't hide

Somebody's out there, somewhere

Waiting for someone to come their way

Somebody's out there, somewhere

I will somehow be somebody's someone, someday, yeah

I can feel it inside me

I've been holding on so long

Something's tellin' me something's got to give

'Cause the feeling's way too strong, too strong

Somebody's out there, somewhere

Waiting for someone to come their way

Somebody's out there, somewhere

I will make the night

Somebody's out there, somewhere

Waiting for someone to come their way

Somebody's out there, somewhere

I will somehow be somebody's someone, someday

Somebody's out there, somewhere

Somebody's out there, somewhere

Somebody's out there, somewhere
