Throw your coat on the floor, honey come on in

It's good to see you again, now how y'all been

You know I'm not in no hurry, and you're not wastin' my time, no

So get ready, ooh, get ready for lovin'

My my, sweet sweet love, oohNice and easy, sweet sweet baby, rock on

You make me move, make me wanna groove all night long, yeah

You know I'm not in no hurry, and you're not wastin' my time, no way

So come on, let's get it on, with some lovin'

Yeah yeah, sweet sweet love

All I want is some lovin'

My my sweet sweet love, yeahYou know the one thing I need, is somethin' you got

And I feel so good, I just can't stop, no

You know I'm not in no hurry, and you can hang out all night, yeah

So come on, let's get it on, with some lovin', ooh

Some sweet sweet love

All I want is some lovin'

Yeah yeah, sweet sweet love, mmm alright
