[Curren\$y Spitta]Bout the strength of the quality  
We smell  
You can tell that I'm somewhere in the building  
On my batman shit  
Niggas suspended from the ceiling  
Not really  
But that's the way the weed got me feeling  
?  
Mami you got the vision  
And I see it HD  
And it couldn't be any clearer  
You should be with Spitta  
And you know that this your chance  
Don't blow it like birthday candles  
Good guy Spitta keep his name outta them scandals  
It's not a secret  
I prefer my girls in sneakers  
Never sandals  
Posing naked in only a pair of nikes ?  
It's bottle pop  
Back to back  
Extra large  
Cellphone, camera's out  
Mama I remember that  
Anytime I look at that  
I go to wondering where you at  
So baby where you at  
With it  
And I'm just tryna hi-hit it on the friendly  
And maybe we get back up ina minute  
[Chorus X2]Fast cars  
Fly clothes  
G5 flying on the seashore  
Get in  
Baby I'm just tryna hit it on the friendly  
So tell me if you is  
Or if you isn't  
Well then

Yuh
