

# Dog Days Are Over

## Florence + The Machine

Happiness, hit her like a train on a track  
Coming towards her, stuck still no turning back  
She hid around corners and she hid under beds  
She killed it with kisses and from it she fled  
With every bubble she sank with a drink  
And washed it away down the kitchen sink

The dog days are over  
The dog days are done  
The horses are coming so you better run

Run fast for your mother run fast for your father  
Run for your children for your sisters and brothers  
Leave all your love and your longing behind you  
Can't carry it with you if you want to survive

The dog days are over  
The dog days are done  
Can't you hear the horses  
'Cause here they come

And I never wanted anything from you  
Except everything you had  
And what was left after that too, oh.

Happiness hit her like a bullet in the back  
Struck from a great height  
By someone who should know better than that

The dog days are over  
The dog days are done  
Can you hear the horses  
'Cause here they come

Run fast for your mother and fast for your father  
Run for your children for your sisters and brothers  
Leave all your love and your loving behind you  
Can't carry it with you if you want to survive

The dog days are over

The dog days are done  
Can you hear the horses  
'Cause here they come

The dog days are over  
The dog days are done  
Can you hear the horses  
'Cause here they come

The dog days are over  
The dog days are done  
The horses are coming  
So you better run
