Stars

The xx

I can give it all on the first date
I dont have to exist outside this place
And dear know that I can changeBut if stars, shouldnt shine
By the very first time
Then dear its fine, so fine by me
Cos we can give it time
So much time
With meI can draw the line on the first date
Ill let you cross it
Let you take every line Ive got
When the time gets lateBut if stars, shouldnt shine
By the very first time
Then dear its fine, so fine by me
Cos we can give it time
So much time
With meIf you want me
Let me know
Where do you wanna go
No need for talking
I already know
If you want me
Why goI can give it all on the first date
I dont have to exist outside this place
And dear know that I can changeBut if stars, shouldnt shine
By the very first time
Then dear its fine, so fine by me
Cos we can give it time
So much time
With me
