

# Stars

## The xx

I can give it all on the first date  
I dont have to exist outside this place  
And dear know that I can changeBut if stars, shouldnt shine  
By the very first time  
Then dear its fine, so fine by me  
Cos we can give it time  
So much time  
With meI can draw the line on the first date  
Ill let you cross it  
Let you take every line Ive got  
When the time gets lateBut if stars, shouldnt shine  
By the very first time  
Then dear its fine, so fine by me  
Cos we can give it time  
So much time  
With meIf you want me  
Let me know  
Where do you wanna go  
No need for talking  
I already know  
If you want me  
Why goI can give it all on the first date  
I dont have to exist outside this place  
And dear know that I can changeBut if stars, shouldnt shine  
By the very first time  
Then dear its fine, so fine by me  
Cos we can give it time  
So much time  
With me
