

# Dreams (Hidden Track)

## All Saints

Here I go again got a broken heart  
This time I'll get stronger  
No grieving til the brake of dawn  
Ain't falling easily, move over[Chorus]  
Dreams are dreams  
Will alas come true  
Skies are clear leaving me bright and blue  
I will raise my glass to my heart and say  
"Here's to tomorrow, not yesterday Here's not to dreams that don't come true  
Here's not to what was me and you  
Here's not to all the day's gone by  
And to the truth that lived a lie[Chorus: x2] Dreams are dreams  
Will alas come true  
Skies will clear leaving me bright and blue  
I will raise my glass to my heart and say  
"Here's to tomorrow My words are a whisper, in silence I shall  
No hall mark card can spell it out  
Deep down inside, you know I care  
There's nothing to say 'bout the love we shared[Chorus]
