Sleeping Angel (Remaster)

Stevie Nicks

Take me if you need me
But never hold me down
You're asking me to trust you
Well, there's little of that aroundI'm trying to believe you
And I'm learnin' all the time
Two-part personality
The flower and the vine
Flower and the vineTake me sleeping angel
Catch me when you can
Real love affairs are heavy spells
For a woman and a man
For a woman and a man
I need you because you let me breathe
Well, you've taken me away
But never take me lightly
Or I could never stay
No, I could never stayWell, someday when we're older
And my hair is silver gray
A braid with all of the love that you have
Like a soft silver chain
Well, like a soft silver chainWhoa, someday when we're older
And my hair is silver gray
A braid with all of the love that you have
Like a soft silver chain
Well, like a soft silver chain
Oh, take me sleeping angel
Oh, catch me when you can
And a braid with all the love that you have
Like a soft silver chain
