Goodbye To Romance

ì•¨ë‹ˆíž• (SunnyHill)

Yeasterday has been and gone
Tomorrow will I find the sun or will it rain
Everybody's having fun except me I'm the lonely one
I live in shame[Chorus]
I said goodbye to romance
Goodbye to friends
Goodbye to all the past
I guess we'll meet, we'll meet in the endI've been the king, I've been the clown
Still broken wings can't hold me down
I'm free again
The jester with a broken crown
It won't be me this time around to love in vain[Chorus]And I feel the time is right although I know
That you just might say to me
What ya gonna do
What ya gonna do
'Cause I have to take this chance
Goodbye to friends and true romance
And to all of you
And to all of you[Chorus]And the weather's lookin fine and I think the sun will shine again
And I feel I've cleared my mind all the past is left behind again[Chorus]
