

# Live Nigga Rap

## Meyhem Lauren

I shot the motherfucker back, right out the ass son  
For niggaz don't know how to act, what the deal son  
I shot the motherfucker back, no doubt son  
For niggaz don't know how to act Yo NYC, U N I verse, seriously  
Havoc and P, Queens niggaz so it seem to be  
Monopolize, strategies of war, exercise, mega  
Got word back from Noreaga The D.A. got video cassette taper  
The God with the God-U-Now, pullin' a caper  
Runnin' up in the spot, mask and duct taped up  
Pig tied they motherfuckin' wrists to they ankles I been through, crime shit my niggaz into  
Peep the issue situation like this, we stickin' him too  
JFK on our way to L.A.  
Got links with big cats down to Santa Barbara My crew do it the Mobb way, everyday  
Crime pay, who wanted gunplay? Drill me  
Niggaz kill me, thrillin' me, you wanna look?  
Peep the nine milli, now undress, you know the drilly Niggaz suspect, weak links pose threats, I have yet  
To met challenger who go against my set  
Gem stars razor sharp like Gillette, shavin' closely on  
Any character approach me I let the streets get the best of me, infamy, my destiny  
While cat burglars tryin' to sneak peep the recipe  
Inside my rap cookbook, paragraphs is gourmet  
You pay about 5,000 a plate No doubt kid, I hit them niggaz like a bid  
The prosecutor, runnin' up in your crib  
Do your dirt, I do my dirt all by my lonely  
It's only me and the gat that's holdin' me We got it locked beyond measure, the click's under pressure  
Extort you for your treasure smack you with the undresser  
Represent your click, go ahead, get that ass whipped  
Floatin' in the river with your body wrapped in plastic Wannabe thug, get smacked for back talkin'  
QB represent fuck that, it can happen  
While you rappin', I'm busy tryin' to sneak the gat in  
Could tear men, cut the party short while you jammin' We think smarter, reach harder, got the 44  
Bodyguard of somethin' and you don't want a part of  
If I was you, then I would do what I have to  
But you ain't me, you hesitated so I clapped you  
Then stepped off casually, naturally me Niggaz thinkin' shit sweet, I carry big heat  
Wavy hair chipped teeth, up in this bitch deep  
Queen's murder clicks meet, yellow tapes on black gates  
Mediterranean, projects is like Kuwait I escape into zones, that's irregular  
Why debate on a phone, I'm solar cellular

Escobar 600, you just a crumb inside a world  
Where the rich run it, curriculum of a mathologist  
Deep throats, they try to swallow this  
Anthropologists, dynasties of great knowledgists  
I preserve in my dome, niggaz mics is full of silicone  
Spot's blown, guerrilla ice on this killer's life  
I put my word on it, now you can sleep on or rock a swerve on it  
Nas is menage a trois' on Mount Aire lodges  
We like a smooth fam' but rougher than how DeBarge is  
Catchin' charges of marksmen, livin' heartless  
Grab a cartridge, cock my shit on some Mobb shit  
We mobbin', puttin' niggaz in mausoleums  
From Queens cross the Throgs Neck  
Heads bop, I see 'em  
For niggaz don't know how to act  
To all my niggaz on the block slangin' crack  
Rest in peace to my niggaz layin' on they back  
To all the niggaz who bust gats, live nigga rap  
For niggaz don't know how to act  
To all my niggaz on the block slangin' crack  
Rest in peace to my niggaz on they back  
To all the niggaz who bust gats, live nigga rap  
For niggaz don't know how to act  
To all the niggaz on the block slangin' crack  
Rest in peace to my niggaz on they back  
To all the niggaz who bust gats, live nigga rap  
If you'se a live nigga
