Reconnect

Aegis

Here we all are standing here
(Slave me)
Embrace me
I try so hard to stay so clear
(Repay me)
Embrace meSlave
(Save me)
Slave
(Forgive me)
Slave me
(Confuse me)So glad the history is past
(You hate me)
You love me
I will not ever make fast
(You rape me)
You hate meSlave
(Save me)
Slave
(Forgive me)
Slave me
(Confuse me)Another day, I feel further from myself
If you could wear my shoes then you'll see
(I need a day to recreate)
How we could feel so removed
From what could be
(I need a day to reconnect)What would happen if this were gone?
Would you be there for how long?Slave
(Save me)
Slave
(Forgive me)
Slave me
(Confuse me)Another day, I feel further from myself
Another day, I feel further from myselfIf you could wear my shoes then you'll see
(I need a day to recreate)
How we could feel so removed
From what could be
(I need a day to reconnect)I need a day
(I need a day)
I need a day

I need a day
(I need a day to recreate)Save me
Save me
Save me
Save me
