

Keep On Looking

Sharon Jones and the Dap-Kings

Once I had a good man
Once a good man, he had me
A happy, do right, good man
Made me sing sweet melodies Happiness woven round me
You know I had to get minds twice
No sorrow will surround me
Once a good man, you know he did me right Treated me good, made me happy
But then one day he left me
Theres something I must confess
When he left I was in a mess Ooh, let me testify, let me rectify
And explain how he did me wrong
Ooh, he left me all alone
Oh, one day that good man was gone
Oh, he left me all alone Then I said, is there such thing as true love
Between a woman and a man?
I guess I gotta keep on searchin, yeah
Ima keep on searchin til I find that love again, oh Gotta keep on looking
Im gonna look high, hey
Im gonna look low everywhere I go
Gotta keep on looking, yeah, for that true love again Yeah, let me find that true love again
Break it down, break it down, yeah
Gonna keep on looking for that true love again
