Waiting For Silence

Cavo

You can't watch the clouds roll by this time
you don't want to be so blind you'll find
but I'm miles above you're head
lives, lies and shattered dreams
always, always
your not waving or drowning at all
you don't care where your pieces will fall
they wait for silence
when they're leaving you bare
you can't find your peace of mind with lies
but you've never been so blind
you'll find
and I'm no where to be found
lives, lies and shattered dreams
always, always

your not waving or drowning at all
you don't care where your pieces will fall
they wait for silence
when they're leaving you bare
you can't find your peace of mind with lies
but you've never been so blind
your not waving or drowning at all
you don't care where your pieces will fall
they wait for silence
when they're leaving you bare
your not waving or drowning at all
you don't care where your pieces will fall
they wait for silence
for all the same reasons they leave you there
for all the same reasons they leave you there
for all the same reasons they leave you there
