

# Waiting For Silence

## Cavo

You can't watch the clouds roll by this time  
you don't want to be so blind you'll find  
but I'm miles above you're head  
lives, lies and shattered dreams  
always, always  
your not waving or drowning at all  
you don't care where your pieces will fall  
they wait for silence  
when they're leaving you bare  
you can't find your peace of mind with lies  
but you've never been so blind  
you'll find  
and I'm no where to be found  
lives, lies and shattered dreams  
always, always

your not waving or drowning at all  
you don't care where your pieces will fall  
they wait for silence  
when they're leaving you bare  
you can't find your peace of mind with lies  
but you've never been so blind  
your not waving or drowning at all  
you don't care where your pieces will fall  
they wait for silence  
when they're leaving you bare  
your not waving or drowning at all  
you don't care where your pieces will fall  
they wait for silence

for all the same reasons they leave you there  
for all the same reasons they leave you there  
for all the same reasons they leave you there
