

# Because

## Gabriel Bruce

(Dave Clark)

It's right that I should care about you  
And try to make you happy when you're blue  
It's right, it's right to feel the way I do  
Because, because I love you  
It's wrong to say I don't think of you  
'Cause when you say these things  
You know it makes me blue  
Give me one kiss and I'll be happy

Just, just to be with you  
Give me, give me, a chance to be near you  
Because, because I love you  
Give me one kiss and I'll be happy  
Just, just to be with you  
Give me, give me, a chance to be near you  
Because, because I love you  
Because, because I love you
