

Disney Princess Medley

Madilyn Paige

In a perfect story book
The world is brave and good
A hero takes your hand
Sweet love will follow
But life's a different game
The sorrow and the pain
Only you can change your world tomorrow
Let your smile light up the sky
Keep your spirit soaring high
Trust in your heart and your sunshine's forever and ever
Hold fast to conquest
Your light shines forever and ever
I believe in you and me
We are strong
All those days watching from the windows
All those years outside looking in
Now I'm here it's crystal clear
I'm where I'm meant to be
And at last I see the light
And it's like the fog has lifted
And at last I see the light
And it's like the sky is new
All at once everything is different
Now that I see you
When's it my turn
Wouldn't I love
Love to explore this world up above
Wish I could be
I want to be
Part of that world
Ever just the same
Ever a surprise
Ever as before
Ever just as sure
As the sun will rise
Who is that girl I see
Staring straight back at me
When will my reflection be
Who I am inside
Who? I'm like a shooting star
I've come so far
And now I'm in this whole new world with you
