The Weekend

Eden xo

Advisory - the following lyrics contain explicit language:

Started from the bottom with the plan to get rich
So had to chill everyday like one bad bitch
But I'm stuck in the middle, and I'm tryna get back
Yeah we all need a little, a little break sometimesOh my God it's the weekend,
Hands up for the weekend!
Oh my God it's the weekend,
Hands up for the weekend!We can let go, sipping Rose
On that poolside, Mandalay bay
Wanna be friends, Phoebe Buffay
Can't get enough of my hot tamaleOh my God it's the weekend,
Hands up for the weekend
Oh my God it's the weekend
Like every day!
Like every day!Hustle pay enough I can pay my rent
Got a team up in Paris and I don't speak French
Got a dream that I'm chasing like it's already mine
Got a Monday on me racing, replacing it with tonight!Oh my God it's the weekend,
Hands up for the weekend!
Oh my God it's the weekend,
Hands up for the weekend!We can let go, sipping Rose
On that poolside, Mandeley bay
Wanna be friends, Phoebe Buffay
Can't get enough of my hotty MolyOh my God it's the weekend,
Hands up for the weekend
Oh my God it's the weekend,
Like every day!Getting dumb in the morning
Dumb in the evening
Dumb like a cherry flavDumb in the morning
Dumb in the evening
Dumb like a cherry flavHey it's the weekend
Every day a weekend
Everybody listen up, listen up

'Cause here comes the ice cream truckOh my god, it's the weekend
Hands up for the weekendWe can let go, sipping Rose
On that poolside, Mandeley bay
Wanna be friends, Phoebe Buffay
Can't get enough of my hotty MolyOh my god, it's the weekend
Hands up for the weekend
Oh my god, it's the weekend
Like every day
Like every day
