

Over You

Jordyn Taylor

Broken heartedness,
All this emptiness,
'cause the difference is,
Between us won't improve,
I'm tryna find af way,
To bring back yesterday,
Love meant everything to you. We been through much,
I don't want us to end right here,
I can't stand the thought of,
Watching us disappear,
I put my all, my heart, my soul, my everything into us,
I just can't se it so, let this be.
Got me trippin'
'cause I'm in this crazyness,
Should we leave it?
But I'm caught up in your mess,
But we drifted,
Far from were we used to be,
Wish I could let go,
But I can't seem to get over you,
But I can't seem to get over you,
But I can't seem to get over you, Just a single touch,
Between the two of us,
You used to mean so much,
'cause we were all alone,
But reality is here,
And it's very clear,
I should let things go with you, We been through much,
I don't want us to end right here,
I can't stand the thought of,
Watching us disappear,
I put my all, my heart, my soul, my everything into us,
I just can't se it so, let this be.
Got me trippin'
'cause I'm in this crazyness,
Should we leave it?
But I'm caught up in your mess,
But we drifted,
Far from were we used to be,

Wish I could let go,
But I can't seem to get over you, Boy, I question,
How something so perfect,
Could seem to just fade away,
No, I won't give up on you
No never,
I love you forever,
And there's no way I turn away from everything, 'cause boy,
You got me trippin'
'cause I'm in this crazyness,
Should we leave it?
But I'm caught up in your mess,
But we drifted,
Far from were we used to be,
Wish I could let go,
But I can't seem to get over you, Got me trippin'
'cause I'm in this crazyness,
Should we leave it?
But I'm caught up in your mess,
But we drifted,
Far from were we used to be,
Wish I could let go,
But I can't seem to get over you,
But I can't seem to get over you,
But I can't seem to get over you,
But I can't seem to get over you...
