

# Dance With The Devil

## Breaking Benjamin

Here I stand  
Helpless and left for deadClose your eyes  
So many days go by  
Easy to find what's wrong  
Harder to find what's rightI believe in you, I can show you  
That I can see right through all your empty lies  
I won't stay long in this world so wrongSay goodbye  
As we dance with the Devil tonight  
Don't you dare look at him in the eye  
As we dance with the Devil tonightTrembling  
Crawling across my skin  
Feeling your cold dead eyes  
Stealing the life of mineI believe in you, I can show you  
That I can see right through all your empty lies  
I won't last long in this world so wrongSay goodbye  
As we dance with the Devil tonight  
Don't you dare look at him in the eye  
As we dance with the Devil tonightHold on, hold onSay goodbye  
As we dance with the Devil tonight  
Don't you dare look at him in the eye  
As we dance with the Devil tonightHold on, hold on
