

# Forest Fire

## Editors

Take me home, somewhere safe  
Lean on me, saving grace  
Such a light, where you are  
Something new, forest fire I'll miss this when it's gone  
Let's not waste life, come on  
I'll miss this when it's gone  
Let's not waste life, come on, come on We all sit next to the fire  
We watch you burn  
Oh, we all sit next to the fire  
And watch you burn
