

Don't Follow

[Cyantific](#)

Hey, I ain't never coming home
Hey, I'll just wander my own road
Hey hey, I can't meet you here tomorrow
No say goodbye, don't follow
Misery so hollow
Hey you, you're livin' life full throttle
Hey you, pass me down that bottle
Hey hey you, you can't shake me round now
I get so lost and don't know how
And it hurts to care, I'm going down
Forgot my woman, lost my friends
Things I'd done, where I've been
Sleep in sweat the mirrors cold

See my face, it's growin' old
Scared to death no reason why
Do whatever to get me by
Think about the things I said
Read the page it's cold and dead
And take me home
And take me home, home
Take me home
Take me home
Take me home, home
Say goodbye, don't follow
