

Firecracker Firecracker

Half Japanese

Oh no, she held his hand and they clutched their love
Oh my, they made a wish on the stars up above
Oh me, I guess that leaves me out in the cold
Or so, so, so, so I been told

Oh why, why won't she listen to me?
Oh gee, I know that she would come back at me
Oh sure we'd have a love, to have and to hold
Or so, so, so, so I been told

Firecracker, firecracker, boom boom boom
Firecracker, firecracker, boom boom boom
Boys got the muscles
Teachers got the brains
Girls got the sexy legs, they win the game
Muscles ain't strong
Brain's ain't smart
But oh, those legs, they won my heart

Oh no, it's not bad, it's just wrong
Oh yeah, and I know it won't be long
A boy gets two loves worth more than gold
Or so, so, so, so I been told
Because true love is worth more than a king's gold
Or so I been told
