Could Not Stop Myself

Aaron Tippin

Oh, the power and the blow of that first kiss
I swear, it almost knocked me to my knees
I wasn't ready, caught my heart off guard
For the first time in my life I felt weekAnd I could not stop myself from lovin' you
It's a feelin' if I fought, I know I'd lose
I could never let it go, I could never walk away
If I did, it would tear me in two
Even if I tried, I could not stop myself from lovin' youIt was over, oh, I never had a chance
I fell and I was never comin' back
I surrendered, your love was just too strong
I knew that I had finally met my matchAnd I could not stop myself from lovin' you
It's a feelin' if I fought, I know I'd lose
I could never let it go, I could never walk away
If I did, it would tear me in two
Even if I tried, I could not stop myself from lovin' you
