

# No Other Love

Estelle

John Legend  
No other love?  
No other touch?  
Gimme gimme oh so much?  
Turn me on turn me on Won't you please get out of my head  
Get back into my bed now,  
Come kiss me, come with me?  
Cause' I can't hardly sleep without you, can't stop thinking bout you girl?  
I want you, I need you And I'm ready for love, (I'm) ready for us to lose control?  
Oh you know and I know that No other love?  
No other touch?  
Gimme gimme oh so much  
?Turn me on turn me on  
No other kiss?  
No one like this?  
Feeling that I can't resist  
?Turn me on turn me on turn me on I had my share of lovers  
But there is no other girl, your special, now let's go  
Cause love I want you more than ever, want to do whatever now?  
To keep you, I need you And I'm ready for love, (I'm) ready for us to lose control?  
Oh you know and I know that No other love?  
No other touch?  
Gimme gimme oh so much?  
Turn me on turn me on  
No other kiss?  
No one like this  
Feeling that I can't resist?  
Turn me on turn me on turn me on Estelle

You got my attention Duet : John Legend and Estelle
