

I Won't

Peter Bradley Adams

Oh here you come, same as before
At my back door to say it again
Tell me you've grown, tell me you've found
Somewhere just out of town You ask if I want to go
I don't want to roll on anymore
I won't follow you down that road
You know but I won't...I could let you in, let you try again
But how would it ever end?
Oh, how would it ever end? You ask if I want to go
I don't want to roll on anymore
I won't follow you down that road
You know but I won't...
I won't...Will you ask if I want to go?
I don't want to roll on anymore
I won't follow you down that road
You know but I won't...
I won't...
