

Motivation

Museum of Devotion

sometimes
i need a little motivation
other times
I donâ€™t none at all
like a ball in chain
I canâ€™t take it
I canâ€™t take it.

itâ€™s not what weâ€™re suppose to do
I just want to possess you
testify

talk to me
why donâ€™t you ever just sit your past down and talk to me
sing to me, what donâ€™t you ever just open those thin lips ups and sing to me

ball in chain on a dead manâ€™s leg
I canâ€™t take it, I canâ€™t take it.
you are wrapping me up, it such an ego trip,
how can you can use it, if you canâ€™t motivate it.

sometimes
