

Act Ghetto (feat. Lil Wayne)

Tyga

She just wanna act ghetto
She just wanna dance like a stripper, rap like a nigga
She just wanna rub her tities, pop her ass
She just wanna act ghetto when the cameras flash
She just wanna act ghetto
She just wanna act ghetto
She just wanna dance like a stripper, rap like a nigga
She just wanna rub her tities, pop her ass
She just wanna act ghetto when the cameras flash
She just wanna act ghetto, act ghetto, act ghetto, act ghetto
She wear diamond on her pussy, diamonds on neck, yeah (Uh)
Talking out her neck? demand respect
Yeah, she wanna act ghetto, getting drunk on the set
Gonna drink it out the bottle, flip the finger when she ready
Fuck it when she dance, touch it when she dance
Feelin' on her friends, do it for the 'gram
Yeah, she wanna hold a nigga hand, kiss a nigga face
All up in the line, at Mac Donalds, yeah
She just wanna shake, she wanna do it (she wanna do it)
She wanna do it (she wanna do it)
She wanna stunt like Rihanna, might make me wear Puma
Gettin' checks like Kylie, yeah, everyday I do it, yeah
Yerstaday, I did it, everytime I'm with her
