

Word up

Young Bird

Alright, lets just go for it

Come on baby

Yeah

Owww...

Yeah

All pretty ladies around the world

Got a weird thing to show you

So tell all the boys and girls

Tell your brother, your sister and your mama too

Cause we're about to go down

And you know just what to do

Wave your hands in the air like you don't care

Fly by the people as they stop to look and stare

Do your dance, do your dance

Do your dance quick

Come on baby, tell me whats the word

Word up, everybody say

When you hear the call you've got to get it underway

Word up, it's the code word

No matter where you say it

You know that you'll be heard

Yeah (Can you feel me?)

Now all you sucker DJs who think you're fly

There's got to be a reason

And we know the reason why

You try to put on those airs and act real cool

But you got to realize that you're acting like fools

If there's music we can use it

We're free to dance

We don't have no time for psychological romance

No romance, no romance

No romance for me

Mama, come on baby tell me whats the word

Word up, everybody say

When you hear the call you've got to get it underway

Word up, it's the code word

No matter where you say it

You know that you'll be heard

Word up
Word up, everybody say
When you hear the call you've got to get it underway
Word up, it's the code word
No matter where you say it
You know that you'll be heard
Yeah
Word up
Yeah
Word up, everybody say
Word up, it's the code word
Word up
Do you like that?
(Do you like that?)
