Dreaming

Kiss

Close your eyes and take a look at your life
Do you like what you see
My eyes are open but I feel like I'm blind, it's all returning to me
I wanna know, does a frozen river flow
Things you said fill my head lying in a cold and empty bed
I'm only dreaming
Between the darkness and the light
I'm only dreaming, oooh
Dreaming, can't tell the daylight from the night
I'm only dreaming, dreaming
I feel the sunlight shining down on my face
Not a cloud in my mind
I get my wake up but it never comes in time
My prayers are spoken and I wait to receive
'Cause there's a fine line between the truth and how we want it to be

I'm only dreaming
Between the darkness and the light
I'm only dreaming, oooh
Dreaming, can't tell the daylight from the night
I'm only dreaming, dreaming
I'm sailing like a ship on the sea
I don't care if I'm lost in the haze
I hear the angels singing something to me
(?)Come dream of me(?), that you never see
Won't you come slip away
[solo] I am only dreaming
I'm only dreaming (x 6)
