

Homage to the Betrayed

Spiritual Beggars

Someone bring me the wine!
Well you know, know what you came for
Are you still blinded by hate
Well I try and I do understand you
Never met a woman that hasn't betrayed me
You sit and you wait by the phone
You sure gonna gun down that whore
Well I try and I do understand you
Never me a woman that hasn't betrayed me
Someone bring me the wine!
Well you did, you did what you came for
Said it was a voice in your head
Well I try and I do understand you
But can't you tell a demon from a friend
