Love Is All

Joe Longthorne

Yesterday, I knew the games to play
I thought I knew the way, life was meant to be
And now there's you
My foolish games are through
Now at last I have found
Just what makes this old world turn around
Love is all I have to give
Love is all as long as I can give
Take it all
And I'll always be there if you call my name
I know now that love is all.

Every night I long to hold you tight
Until the morning morning light
Shines into your eyes
And Love me now
We'll get along somehow
Won't you please take my hand
And together forever we'll stay
Love is all I have to give
Love is all as long as I can give
Take It All
And I'll always be there if you call my name
I know now
That Love is ALLLLLL
Love is all i have to give
Love is all , as long as i can give

So take it all and i'll always be there if you call my name
I know now,
That Love is All
That Love is All
That Love is All
That Love is A

--LLLLLLLL
