

Chasing Rainbows

Bring Me the Horizon

They drag me underground
The lights are slowly fading
The world I thought I knew
I never knew at all The dead don't make a sound
Unless you're chasing rainbows
And then they scream your name
Clawing at the gates So pull me out
And hold me down
Let's find a way
To lose ourselves Take me to the sun
I feel I'm chasing rainbows
And now I'm lost and all alone
Waiting for a chance to Sink my teeth into
Another desperation
Now into your room in
Paradise! Are we just dreaming
In the city that never sleeps?
'Cause I can't be seeing
What my eyes tell me Am I just dreaming?
This can't be in my veins
Everything I ever knew
Will never be the same So chew me up, and spit me out
Let's find a way to save ourselves So pull me out
And hold me down
Let's find a way
To lose ourselves Take me to the sun
I feel I'm chasing rainbows
And now I'm lost and all alone
Waiting for a chance to Sink my teeth into
Another desperation
Now into your room in
Paradise! And now I feel it.
Yeah, I feel it in my blood! I can't fight this anymore
I've given up!
I've given up! Take me to the sun
I feel I'm chasing rainbows
And now I'm lost and all alone
Waiting for a chance to Sink my teeth into
Another desperation

Now into your room in PARADISE! Take me to the sun
I feel I'm chasing rainbows
And now I'm lost and all alone
Waiting for a chance to Sink my teeth into
Another desperation
Now into your room in
Paradise! Yeah!
