

Black Rabbit

Skullflower

I got a reputation
I'm such a horny hunk
I'm a Turbonegro
Just a lowdown punk I'm a black rabbit
With my black habits
I ain't no jaevla fucking spider Well, I don't torture bunnies
I do my hop and jump
So don't come running winning
When your embryo is junk I'm a black rabbit
With my black habits
I ain't no jaevla faens spider
I ain't no jaevla faen
