Patience

Nick Lachey

Just have a little patience I'm still hurting from a love I lost I'm feeling your frustration Any minute all the pain will stop Just hold me close inside your arms tonight Don't be too hard on my emotions 'Cause I need time My heart is numb, has no feeling So while I'm still healing Just try and have a little patience I really wanna start over again I know you wanna be my salvation The one that I can always depend I'll try to be strong Believe me I'm trying to move on It's complicated but understand me

> 'Cause I need time My heart is numb, has no feeling So while I'm still healing Just try and have a little patience Have a little patience 'Cause these scars run so deep It's been hard but I have to believe Let me have a little patience, Can't you have a little patience? 'Cause I, I just need time My heart is numb, has no feeling So while I'm still healing Just try and have a little patience Just have a little patience My heart is numb, has no feeling So while I'm still healing Just try and have a little patience
