Cold Hard Heart

Jon Bon Jovi

J. bon jovi
You said you loved to watch me sleep
You put your head down on my chest
To hear my breath
Go on, take my last breath from me
I don't want to live no more
And cut my eyes so I can't see
I can't see you looking back as you walk out the door
Chorus:
Cold, hard heart
Cold, cruel heart
What's it gonna take
To break your cold,hard heart
I was a lover lost in sea
You found me washed up on the beach
You took me home,you gave me breakfast
I said I'd offer you protection, but you didn't charge a fee
Chorus:
Cold, hard heart
Cold, cruel heart
What's it gonna take

To break your cold,hard heart
Cold, cold heart
Cold, cruel heart
What's it gonna take
To break your cold,hard heart
What are you hiding underneath that shirt
If you're the one to run babe
Then you don't feel the hurt
Her hair so brown, and eyes so green
You used to say I made good company
She'd bring me wine and sip her tea
Then you'd give yourself what you could give to me
Chorus:
Cold, hard heart
Cold, cruel heart
What's it gonna take
To break your cold, hard heart

Cold, cold heart
Your cruel heart
What's it gonna take
To break your cold, hard heart
What's it gonna take
