

Yellow (Studio session playback)

Alex Parks

Look at the stars,
Look how they shine for you,
And everything you do,
Yeah they were all yellow,I came along
I wrote a song for you
And all the things you do
And it was called yellowSo then I took my turn
Oh all the things I've done
And it was all yellowYour skin
Oh yeah your skin and bones
Turn into something beautiful
D'you know you know I love you so
You know I love you soI swam across
I jumped across for you
Oh what a thing to do
Cause you were all yellowI drew a line
I drew a line for you
Oh all the things you do
And it was all yellowYour skin
Oh yeah your skin and bones
Turn into something beautiful
D'you know for you i bleed myself dry
For you I bleed myself dryIts true look how they shine for you
Look how they shine for you
Look how they shine for you
Look how they shine for you
Look how they shine
Look at the stars look how they shine for you
