Mitzi

You stopped to think
What are you doing
A wave of heat
Comes around
The apt air flow
Pass your feet now
You stopped to ask
What was wrong
I should try
It's light head on my shoulder
I should try
Before it's all over
I should try
It's light head on my shoulder
I should try
Before it's all over
The telephone
On the pavement
You called too late
In the eve
It's all too much
To take in now
You stopped to ask
What was wrong
I should try
It's light head on my shoulder
I should try
Before it's all over
I should try
It's light head on my shoulder
I should try
Before it's all over
I should try
It's light head on my shoulder
I should try
Before it's all over
I should try
It's light head on my shoulder
I should try

Before it's all over
I'm coming x16
