I Drove All Night

CÃ©line Dion

Run away, woah nah, oh nay, oh nay

I had to escape, the city was sticky and cruel
Maybe I should have called you first
But I was dying to get to you
I was dreaming while I drove
The long straight road ahead
Uh-huh, yeah
Could taste your sweet kisses, your arms open wide
This fever for you was just burning me up inside

I drove all night to get to you
Is that all right?
I drove all night, crept in your room
Woke you from your sleep to make love to you
Is that all right?
I drove all night

What in this world keeps us from falling apart?
No matter where I go
I hear the beating of our one heart
I think about you when the night is cold and dark
Uh-huh, yeah
No one can move me the way that you do
Nothing erases this feeling between me and you

I drove all night to get to you
Is that all right?
I drove all night, crept in your room
Woke you from your sleep to make love to you
Is that all right?
I drove all night

I taste your sweet kisses, your arms open wide
This fever for you is just burning me up inside

I drove all night to get to you
Is that all right?
I drove all night, crept in your room
Is that all right?

I drove all night

(I drove all night) I drove all night
(To get to you) to get to you
(Is that all right?) is that all right?
(I drove all night) I drove all night
(Crept in your room) crept in your room
(Is that all right?) is that all right?
