

# world premiere

## The Legendary K.O.

Yo, (ok) kids I was sittin on the block the other day man  
Some fine ass girl walked by  
And she was lookin, I'm lookin back  
She said uh "JD I love those 20's on your car"  
I said I beg your motherfuckin pardon  
Them is Michael Jordan's baby  
She gotta understand the type of nigga you dealin with  
A young, fly, flashy So So Def representer  
The biggest thing in the city since Martin Luther the King  
Uh, holla at 'em  
Brooklyn is what I'm reppin  
Disrespect and bullets fly in your direction  
Ridin shotgun with JD I got so so connections  
Locos and the chrome blows, homie not to mention  
I got four homes that I own, I'm certified pimpin  
Cross my path, shots blast instant  
Extort your ass the kid got henchmens  
The whole Brooklyn for instance  
Red dot, ruthless, head shots stop you from thinkin  
A best seller's what I'm inkin  
Another Brooklyn classic, straight acid, keep listenin  
Twin Desert Eagles, duck when I'm twistin 'em  
Rims spin on sick vehicles, look we killin 'em  
Manson and gas my adrenaline, racin fast  
Switchin four lanes with weight up in the stash  
I'm livin so so better now, the so so dash  
is what I'm sittin on, blowin up so so fast  
Yeah, uh huh  
Yo, You really don't want to get hit  
Hot lid when I empty the clip  
Drop kid if you droppin your lip  
Never know enough about but I talk shit  
You must want to eat up my clit  
Everything we ever did on is sick  
We don't have a party, we rich  
We cut it up with anybody we with  
And I'm the main one, havin to fit  
Can't nobody do it like this  
I got a gat by the side like my man Big

Stand out on that song he did with me  
You feelin the presence of So So Def  
Rest assure we gettin the money  
crush your label there's no more left  
Just fables fictional characters I  
Stay away from those who

embellish the truth and LIE  
I'm kickin the same shit you been  
used to since "Funkdafied"  
Let your mind escape, you laid  
away back and enjoy the RIDE  
Yeah, I'm rollin on deuce trays  
Shoot all my Tequila straight  
Catch me at the bar of the bay  
I might even buy you a little drank  
We been choppin paper for years  
Ain't scared of you niggaz out here  
Some of ya'll might think we disappear  
But everytime the resurgence is clear  
Yo, yo

Brooklyn has to be two of the illest  
Felons to be diluted I do whatever, to foot it  
Like I want to do it, like I do it  
When I done it

PUSSY (PUSSY), roll like caine  
Just rhymin with Benz or  
present with the Coupe-a  
Drive my lifestyle down  
I'm between lines and my new slip  
2003, M.O.P. nigga you see  
My fundamentals of a street life nigga  
Cuffin her hair, have it over left  
nothin to fear, BIATCH!

Warriorz! (WARRIORZ), Come out and play!  
(COME OUT AND PLAY)

From the dark side, where we reside, we die for (BK)  
We a whole different breed of men  
you need to squeeze us in  
We'll get in where we fit in like  
BUK-BUK-BUK-BUK-BUK-BUK-BUK-BUK  
Still rockin what's poppin, you still lookin shaken  
We a long way from the day when you overlook Brooklyn  
It's like lotto Duke the way we represent it  
You really gotta be in it to present it, you get it?

We God!!  
Yeah, you see this shit right?  
You know what I'm sayin, it's So So Def  
You dig, this is a World Premiere  
JD, this is a World Premiere  
You dig? hahaha, yeah  
And I'm the Brat a tat-tat-tat, you dig
