

# Love Gun

## Tess

You're asking me unsight  
Your touch paralyzes me  
And I can't feel my body, i can't feel my body, anymore  
My Blooddrops smothering so fast  
I feel my heart peeling/bleeding/beating, peeling/bleeding/beating, explode me  
I 'm out of, I'm out of my mindLoveAnd you shot your heartYou mind burning down the side,  
your perfume like frozen  
I'm addicted, i need a love gun  
Your eyes????  
????  
????, I need a love gun  
I need a love gun  
Before your desire, i need a love gun  
I have to shoot you down  
Before your love burns me out, burns me allSo tempted by your kiss  
it's hard to resist  
But i'm stronger than this, i am stronger than this  
Thoughts of you disturb my sleep  
?????  
No i don't wanna fall,  
no idon't wanna fall, in love with youYou mind burning down the side,  
Your perfume like frozen  
I'm addicted, i need a love gun  
??????  
?????  
????? i need a love gun  
I need a love gun  
Before your desire, i need a love gun  
i have to shoot you down  
Before your love burns me out, burns me all  
I need a love gun,  
before your desire, i need a love gun  
i have to shoot you down,  
before your love burns me out, burns me all  
i have to shoot you down  
before your desire????  
i need a love gun  
Before your love burns me out, burns me all  
i need a love gun

Before your love burns me out, burns me all
