

The Warmth of the Sun

Rumer

What good is the dawn that grows into day
The sunset at night or living this way
For I have the warmth of the sun, within me at night
(Warmth of the sun, within me at night)
The love of my life she left me one day
I cried when she said, "I don't feel the same way"
Still I have the warmth of the sun, within me tonight

(Warmth of the sun, within me tonight)
I'll dream of her arms and though they're not real
Just like she's still there the way that I feel
My love like the warmth of the sun, it won't ever die
(Warmth of the sun, it won't ever die)
