

Domestic Subway

Millencolin

Youve got so many things
Going your way today
But still you are lonely
And no one listens to the things that you say
Depression is a lesson
That you really gotta hold on to
Or is it fucked up anyway for you
Youve got so many things to say
But that wont help you anyway
Because youre messed up and youre lost
In other peoples thoughts
Tough situation you believe
That youre afraid of yourself
Youre looking around for directions and clues
But you should look somewhere else
Cause somewhere inside you
You can find the strength that youre searching for
Or is it fucked up anyway for you
Youve got so many things to say
But that wont help you anyway
Because youre messed up and youre lost
And now it's up to me
Do it for yourself today
You have got to find a way
So do it for yourself, 'cause you
Youve got so many things to say
But that wont help you anyway
Because youre messed up and youre lost
In other peoples thoughts
Youve got so many things to say
But that wont help you anyway
Because youre messed up and youre lost
In other peoples thoughts
