

Teamwork

Ludacris

Hey we gonna be havin' some fun and
'Cause 2 is better than 1 and,
Somebody kill the lights, we doin'

Freaky (freaky) (freaky) (freaky) shit tonight, yeaDouble the pleasures, like double the fun
How many licks does it take to the center of a Luda pop double the tumbs
Who knows, plus I gotta undress em', caress 'em, bless em' steady keep em' guessing
If that doesn't impress em' then slowly move on to the second lesson
Whoa, panties dropping, body rocking, Magnum's popping
It's 8 cheeks and 4 titties y'all better hand me something
Hey ladies (whoa), on you mark get ready get see go (Go)

Wait for hours, in an out the shower, this dick power, we in controlHey we gonna be havin' some fun and
'Cause 2 is better than 1 and,
Somebody kill the lights, we doin'

Freaky (freaky) (freaky) (freaky) shit tonight, yeaHey we gonna be havin' some fun and
'Cause 2 is better than 1 and,
Somebody kill the lights, we doin'

Freaky (freaky) (freaky) (freaky) shit tonight, yea6 hands gripping the sheets, 30 toes are curled
What in the world is going on till the break a break a dawn wit man and them girls
'Cause 3 hearts are beating fast, but only 2 people screaming
We coming together for one cause other than hear ourselves breathing
Get in the game n start working it out n digging in out
Now lean to the side, throw a dick in your mouth
You gotta get in the groove you got nothing to lose
So don't move till you figured it out
And keep making that face while I'm rubbing them spots
And we can take turns while the other one watch
And see how she be taking them shots

And wake up the hood till they calling them cops, manHey we gonna be havin' some fun and
'Cause 2 is better than 1 and,
Somebody kill the lights, we doin'

Freaky (freaky) (freaky) (freaky) shit tonight, yeaHey we gonna be havin' some fun and
'Cause 2 is better than 1 and,
Somebody kill the lights, we doin'

Freaky (freaky) (freaky) (freaky) shit tonight, yeaNow I'm ready to ride, so you can get your tools and you can
start the ignition
I'm grabbing perms, wigs, weaves, ponytails and extensions
Not to mention it's gonna get, hot, better come ready to sweat
I make women cum harder than jacuzzi jets
And I'm willing to bet that I be keeping it wet cause I feel yea

Little bit of ring on the neck it won't kill yea
Put me on the bottom or top n I'll drill yea
Given how you wanted to get it, I feel ya
And I'll peel yea, back to back so get ready for the mack attack
They got me thinkin' they some acrobats
The way they bending it from sack to sack because the mack is back and I'm gone
Hey we gonna be havin' some
fun and
'Cause 2 is better than 1 and,
Somebody kill the lights, we doin'
Freaky (freaky) (freaky) (freaky) shit tonight, yea
Hey we gonna be havin' some fun and
'Cause 2 is better than 1 and,
Somebody kill the lights, we doin'
Freaky (freaky) (freaky) (freaky) shit tonight, yea
Hey we gonna be havin' some fun and
'Cause 2 is better than 1 and,
Somebody kill the lights, we doin'
Freaky (freaky) (freaky) (freaky) shit tonight, yea
Hey we gonna be havin' some fun and
'Cause 2 is better than 1 and,
Somebody kill the lights, we doin'
Freaky (freaky) (freaky) (freaky) shit tonight, yea
