

What Will Become

Fear Factory

Become
BecomeWe've cut in, cut out
The face of man
Cut in, cut out
The face ofTime has given us no reason to live
Look to the future and you will see nothingWhat will become? What will we be?
When we can see our own eternity
What will become? What will we be?
When we can see our own eternityWe've lost hope, lost fate
We've lost our way
Lost time, lost grace
We search forMan has taken time from all that you see
Look in his eyes, see the future hold nothingWhat will become? What will we be?
When we can see our own eternity
What will become? What will we be?
When we can see our own eternity, eternityWhat will become? What will we be?
When we can see our own eternityMan has taken time from all that you see
Look in his eye and you still will not seeNo, you will not see, no, you will not see
No, you will not see, no, you will notWhat will become? What will we be?
When we can see our own eternity
What will become? What will we be?
When we can see our own eternityWhat will become? What will become?
What will become? What will become of us?
