

# Because I Love You

[Billy Ocean](#)

I got your letter from the postman just the other day  
And so i decided to write you this song  
Just to let you know exactly the way i feel  
To let you know my love's so real ...Because i love you i'll do anything  
I'll give you my heart my everything  
Because i love you i'll be right by your side  
To be a light to be your guide If you should feel that i don't really care  
And that you're starting to lose ground  
Let me reassure you that you can count on me  
And that i'll always be around  
Because i love you my heart's an open door  
So won't you please come on in  
Because i love you i'll be right by your side  
To be a light to be your guide
