

Latin Girl

Justin Bieber

She's my latin girl, she's my latin girl
I was on the beach yah
I was on vacation
I was doing nothing
I was just sittin' patient
Then you walked by
You caught my eye
I said who's this girl, she's lookin super fly
Hey miss beautiful
I've never seen you before
And I would like to be the one to show you I am cool and all
Hey little momma what you got on yah
Looking so good that I just want to telephone her
She's my latin girl
Oooo pretty lady don't you think it's crazy
She's my latin girl
Oh she tries to fight but she knows she likes it
She's my latin girl
Someone sees and she's looking at me
She's my latin girl
Yeah yeah yeah

Hey miss beautiful
I've never seen you before
And I would like to be the one to show you I am cool and all
Hey little momma would you got on yah
Looking so good that I just want to telephone her
She's my latin girl
Oooo pretty lady don't you think it's crazy
She's my latin girl
Oh she tries to fight it but she knows she likes it
She's my latin girl
So what I see she's looking at me
She's my latin girl
Yeah yeah yeah
She's my latin girl
Oooo pretty lady don't you think it's crazy
She's my latin girl
Oh she tries to fight it but she knows she likes it

She's my latin girl
So what I see she's looking at me
She's my latin girl
Yeah yeah yeah
