

# Love Like That

Pat Green

Check out those kids over there in that parking lot  
They're probably drinking beer and smoking a lot  
I doubt that they mean anybody any harm  
Ain't that old man Fredrick's daughter  
Breaking every rule that her daddy ever taught her  
With a wild eyed boy on the hood of that pickup truck? Yeah, but who are we to talk?  
Didn't you walk that very same walk  
Not so many years ago? With a love like that we were young and true  
With a love like that the bottle nine to two  
You wore my leather jacket  
To the homecoming football game  
With a love like that we crawled in the back  
With a love like that we move away too fast  
I hope nobody tells you it ain't gonna last  
'Cause there's a beauty in a love like that  
Oh the families well they have their doubts  
There was money on whether we'd ever work out  
Come to think of it baby, we ain't never been paid  
I guess we're just like those kids  
We could've listened but we never did  
Sneaking out the house just praying  
And hoping that we wouldn't get caught  
I remember those long walks, yeah  
When you swore all we were gonna do is talk  
Not so many years ago  
With a love like that you were never alone  
With a love like that we built our home  
With a front porch swing  
And a couple of kids in the yard  
With a love like that you can never look back  
With a love like that I had the courage to ask  
I hope nobody tells you it ain't gonna last  
'Cause there's a beauty in a love like that  
A love like that  
A love like that  
With a love like that man I feel so right  
With a love like that it'll change your life  
But don't you tell me it ain't gonna last, yeah  
There's a beauty in a love like that  
Oh yes there is, oh no no  
Love like that  
Man it's built to last  
Love like that  
You don't ever look back  
Love like that  
Oh yes there is  
Love like that  
And I'm so glad I found it  
Love like that
