

in passing

Elegant Simplicity

One time
We were
In passing
I watched
The future

Swirling 'round, around my head
And this is how it went
You and I both alone sat
Waiting in lines too long to comprehend
We both sat waiting in lines

For the rest of our lives
You-whooo-ooooh
Forever and after we went on forever
One time

You were
Inhaling
I saw
The smoke went
Whirling 'round your heedless head
You bore me to my death
You and I both alone sat
Waiting in lines too long to comprehend
We both sat waiting in lines

For the rest of our lives
You-whooo-ooooh
Forever and after we went on forever
I prefer to sleep alone

I prefer to stay right here
Don't come searching
I prefer the windows up
I prefer the fresher air

And for the record
You-whooo-ooooh
Forever and after we went on forever
And after we went on forever
And after we went on forever
